

Climate Adaptation, Disaster and Risk Management and Prevention

Climate Adaptation, Disaster and Risk Management and Prevention (Universities in Sweden)

- **Senior Lecturer Pierre de Wit** (Chair), Gothenburg
Department of Biological and Environmental Sciences

INTERACTIONS BETWEEN BIODIVERSITY AND CLIMATE CRISES

- **Assistant Prof. Avit Bhowmik**, Karlstad
Risk and Environmental Studies

CLIMATE SCIENCE + POLITICS

- **Associate Prof. – Karin Blad**, Örebro
School of Behavioral, Social and Legal Sciences

LAW, LEGAL RISKS, ACCOUNTABILITY

- **Senior Lecturer Susanne Gustafsson**, Jönköping
Department of Rehabilitation

HEATWAVES EFFECTS ON OLD PEOPLE, REDESIGNING URBAN AREAS.

Climate Adaptation, Disaster and Risk Management and Prevention (Universities in Japan)

- **Prof. Takako Izumi** (Chair), Tohoku
International Research Institute of Disaster Science (IRIDeS)

INTERNATIONAL DRR FRAMEWORK, HUMANITARIAN ASSISTANCE

- **Prof. Guangwei Huang**, Sophia
Graduate School of Global Environmental Studies

FLOOD RISK MANAGEMENT, RISK MANAGEMENT IN AGEING SOCIETY

- **Prof. Hansoo Lee**, Hiroshima
The IDEC Institute

COASTAL HAZARD RISK MANAGEMENT/ENGINEERING

- **Associate Prof. Shinichiro Nakamura**, Nagoya
Graduate School of Engineering

HYDROLOGIST, HUMAN INTERACTIONS WITH WATER

IDEAS FOR ACTIVITIES

INITIAL PLANNED ACTIVITIES

Information-sharing meetings (online)

- 24 September: 15-mins presentations (ongoing activities and research) x 4 members + discussion
- October or November: 15-minute presentations (ongoing activities and research) x 4 members + discussion

Physical meeting in 2025

- Potential opportunity: International Sociohydrology Conference in Tokyo (19-21 July 2025) – *organize satellite activity?*

Others

- Seek seed funding: identify 1-2 emerging research fields – *organize networking events for research ideas (focusing on PhD students & young researchers)*
