

External Grant Info Session

Hosted by Research Funding Support Team (Specific Task Team)

May 12, 2025
Horizon Europe

MIRAI

MIRAI – About us

- Academic collaboration started in 2016
- Third phase of MIRAI (2024-2026)
- 17 universities involved
- 4 Global Challenges Teams
- Focus on early career researchers

MIRAI means “Future” in Japanese

- Health and an ageing population
- Climate adaption, disaster and risk management and prevention
- Resilient cities and communities – policies, strategies, local government and urban planning
- Materials for Energy Conversion and Storage: renewable energy, solar energy conversion, electrification, sustainable processes and use of resources

MIRAI
